

7th Bristol District Voters,

*Your tremendous support and votes
in the recent Democratic Primary are
greatly appreciated, and I am
overwhelmed by your confidence
and trust in me, to be our New State Representative.*

*I extend my good wishes to all the Democratic Candidates
who stepped up to the plate, and were willing to serve.
I acknowledge their courage, and their desire to make
a positive contribution to our community.*

*To the Herald News, WSAR, WHTB and Fall River's Public
Access Television, that made every effort to air our views to
the public; I commend your efforts to keep our citizens
informed.*

*To my many supporters and workers, who made
phone calls, gave rides, or stood at the polls
in the wind and the rain.*

I will never forget!

*From the bottom of my heart,
I Thank you, and God Bless.*

Kevin
